

## Resetting Your Nazarene Account Password

Can't remember your password or need to make a change? No problem. Check out our step-by-step instructions below. You can see more how-to directions on [our FAQ page](#), or [email us at stewardship@nazarene.org](mailto:stewardship@nazarene.org).

1. Open a browser and go to [bit.ly/NazAccount](http://bit.ly/NazAccount). Click "Login."

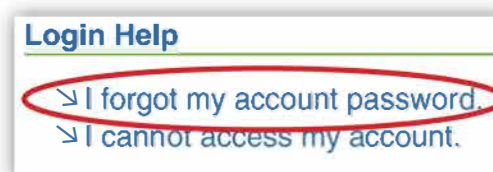

**Nazarene Account**  
You need a Nazarene Account to login to the system.  
Click the button below if you already have an account.

**Login** 

**Sign up for a Nazarene Account**  
Click the sign up link below if you do not have an account.

I am responding to a validation email

**Submit** Cancel

4. Leave the browser open to the current page and open the email associated with your Nazarene Account. In your inbox or junk/spam folder, open the “Nazarene Account :: Password Reset” email. Copy the validation code by highlighting it with your mouse and typing Ctrl+C (for Mac, ⌘+C).

5. Go back to your browser and paste (Ctrl+V, or ⌘+V) the validation code into the box. Hit “Submit.”

6. Now, type in your new password. Type it again to verify, and hit “Change Password.”

7. Near the top of the next page, you will see a banner that says, “Account information updated.” Your password has now been changed.
