Leadership Thoughts

- **Our Mission hasn't changed; our methods have**
- **Our Mission is "To make Christlike disciples in the nations"**
- **You've been running hard. Next week you need to rest well. This is a marathon. Pace yourself. Listen to your body. Enjoy the scenery. Encourage a fellow traveler.**
- **Don't chase being *interesting*; rather, pursue being *interested***
- **Anxiety/Grief is rising. This is but a *season*; it won't last forever.**
- **Leaders model healthy response. We are not able to change the circumstance; we are able to determine our response**
